• Participation – One grade	• Warmup Quiz Average
• IXL Assignments (avg. 1 grade per week)	

K-2 Grading Scale	3-5 Grading Scale
Level 3: 80% - 100% Mastered Level 2: 60% - 79% Partially Mastered Level 1: 59% or below Not Mastered	90 – 100% = A Mastered 80 – 100% = B Mastered 79% = C Mastered 78 – 70% = C Partially Mastered 69 -60% = D Partially Mastered 69% or Below = F Not Mastered

Power School Missing Assignments/Lowest Score Guidelines – All Content Areas	
Lowest Score to enter in Power School	55%
Missing Assignment	Initially 0%, then change to 50% for report card

Mastery Grading & Retest Guidelines – All Content Areas

a. shall implement the following guidelines related to formal assessments:
    i. Assessments should be standards-based and measure students' level of mastery on specific learning objectives,
   ii. Additional practice will be provided for students who do not achieve initial mastery (79%),
  iii. Following additional practice, new opportunities shall be provided to measure student mastery. A maximum score of 79% can be earned.
 	
                - *CMS Elementary Grading Plan 2017 - 2018*

• Only students earning a 78% or lower will be reassessed.
• Scores will be determined based on the number of questions on the reassessment.
    o 100% on retest = 80% gradebook
    o Mastery on retest (79 – 99) = 79% in gradebook (a C)
    o Partial Mastery on retest (60 - 78) = 69% (a D)
    o Not Mastered on retest (59 and below) = 59% (F)

Math Warmup Quiz Grading (3-5)
• 5/5 = 100% in gradebook • 4/5 = 80% in gradebook • 3/5 = 70% in gradebook • 2/5 = 60% in gradebook • 1/5 = 55% in gradebook
